

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over sixty years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are dedicated to offering top quality and new design concepts to be able to meet the diverse needs of their customers.

TREK Cleaning Machines continually offers fresh design concepts as proven in their product development. They enjoy providing products which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of staff likes new challenges and new tasks. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' requirements and skills combined with their understanding of cleaning applications, together with owners' strong desire to dramatically lessen cost through productivity gains.

When needed, the workers within TREK and its many dealer members in both parts and in technical support would be available. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning machinery ready and functioning everyday is top priority. The company's top of the line technology delivers dependable machinery that eventually reduces your cost of cleaning. The product, the price and the service all work as one to be able to make them an industry leader.
